“ WE are so sorry to hear about Uncle Stoney. He was such a fun guy. I remember writing to him when he was in the service and he asked me to send him a picture. Then he told me that he shared it with all his buddies and they would all be writing to me. He did too because I got a few letters. We were glad to see him at the homecoming and really glad we went. We hope God will bless you with peace and many blessings.”

“ *May God comfort Joan, Scott, Kim and Uncle Stoney's surviving sisters. Although we haven't remained in touch much over the years, I have only fond memories. He was very kind and I always looked forward to seeing him as a kid.*

“ *So sorry to hear of the passing of Stoney. We were High School friends in Berkeley Springs, WV, played on the HS football and basketball teams together and socialized during our after school events. Stoney was also an outstanding athlete in the sport of track and field events, running the 440 relay and pole vaulting as well as other events. After graduation from HS we went our separate directions, but managed to reconnect during the annual all class reunions at CaCapon State Park the last Saturday of September each year. Due to health issues, I was unable to visit with Stoney this year, but was in telephone contact and e-mail contact with him throughout the year. Condolences to the family during this time of sorrow. RIP Stoney, my friend.*
