BP

“ My condolences to Jim's family and friends. I've long remembered him from our days with INI in Dover, Delaware. His wacky, dry sense of humor made work days much more enjoyable. For 30-plus years I've been amused every time I think of a couple of my favorites among Jim's gags. He will be missed by an awful lot of people whom he made smile.

“ Janet, I am so sorry to hear about Jim. I always considered him my "brother" growing up. He was a big part of our family. I will always have fond memories of him and his wonderful sense of humor. He always kept my Grandma Howard on her toes. He will live in our hearts forever.
