“ I light this candle to remind me of all those special times we had together growing up spending weekends together with the family; (I felt like I had another brother.) Later in life we enjoyed being up in the Adrionacks; working around the trailer & spending quality time with our good friend, Bob Bushey! So many wonderful memories whether we were in NY, FL or CT at all the special events, birthdays, and holidays & so many wonderful stories to share in a lifetime; too many to mention! You were a joy to be around & I will remember this time we spent together greatly! You will be missed!

“ When my wife and I were planning our wedding in 1994/1995 we did not have enough \$\$\$ for a limousine. My Uncle Jim/Aunt Flo offered us their beautiful new town car as our transportation from my wife's hotel, then to the church/photo location and finally the reception area. My Uncle Jim was our chauffeur and he was so happy to assist and even learned a few words in Spanish (my wife is from Argentina) to offer his congratulations for our nuptials. Throughout the day he was beaming with joy and sooooo happy for us, you could tell his authentic enthusiasm for our love and we shall remember the kindness of my Uncle Jim/Aunt Flo! What wonderful memory was that as we were driving to our photo area was that Uncle Jim was telling my wife Ana, what a great guy I was. He was so awesome on that day and throughout our lives, attending family events, parties, celebrations, holiday gatherings and sporting events. He/ my Aunt Flo's dedication to family and the celebration of our lives is a memory I/our family shall carry with us for an eternity. May GOD BLESS UNCLE JIM AND MY AUNT FLOWith great love and affection..David Burr/BUrr Family
