“ Jim was the first guy we knew at WO, when he checked us out on our first Night at our home on Spurge Drive. He was on security at the time and no one in the office had told him the house was occupied. He and Marge also introduced us at the Golf course and all the good friends we made over the years. RIP Old Friend. Tom & Shirley

“ Oh Marge - I am so sorry. My computer has been down for days and they just got the problem fixed. Jim was one of the good guys and his departure has left a hole in my heart. I am sure he is with his buddies that went before him at their "table of knowledge". Let's keep in touch. Love, Pat
