“ Jane, You know i will miss Loretta terribly. She was as much a mother to me as my own was. She had a great influence on my life and my life choices, as well as raising my children. She was always a favorite of Bill's. Of course my kids thought she and Uncle Tim were their "real" grandparents. They were treated as if they were. I always felt very loved by her. Our sympathies and prayers are with you and John. Love, Becky

“ Loretta was a very special lady, who had wonderful, interesting stories to tell. Her faith in Christ was evident, and she always watched the MAss on TV since she could not go to church. She was blessed with a caring daughter who took excellent care of her to the end.

“ I will always remember one of your mother's great stories about her love of reading and how she started conquering the library with the letter "A". She has passed along many great attributes to her daughter. My thoughts & prayers are with you Jane. Love Pam
