“ Dear Ken, Nicole, Kate & Stephen, Jane's sisters and rest of family. It is still hard to believe how fast her passing went. I was very glad we were able to spend some time in Arizona and the many times we spoke on the phone over the years. They will be precious memories. We will all miss her so much. Know that our deepest sympathy, prayers and love are with all of you. We know there will be hard days ahead, but you are not alone and can count on your friends to be there for you.
