“ Wanted to send our condolences to the family and Bill on the passing of Janet Allen. We only moved into De La Vista West in August so never had the chance to get to know her well. We do know she was very highly regarded in the neighborhood and will be greatly missed.

“ To Bill and Janet's daughter and son, It was an honor to know Janet and to have her as a neighbor. She was a true lady and friendly and kind to the core. When we met in 97, we shared those things we had in common: namely, the state of Ohio and Miami University. I always looked forward to talking with Janet at our many social gatherings and her presence this past Thanksgiving, added to the holiday dinner. May all of you be comforted because she was a part of you and remember her smile when you get sad. She was a great lady and I will miss seeing her beautiful face. In sympathy, Sally and Ron Primc
