“ *The Best woman I have ever known- You were my rock-my inspiration-my guiding light. My heart is broken Mommy-I will forever cherish every moment shared with you my entire life. I will remember every lesson ever taught. I promise to be the very best to my children-for that is all that you ever were to me. You gave me life-you showed us over and over that we were your life. This is without a doubt the hardest thing I will ever go through, loosing you. I will keep you alive in my heart, my mind and soul. You live on inside me- Always. I love you Mom*

“ *Steven and I are so very sorry from the bottom of our hearts! We were very lucky to have become friends with such a wonderful group of people, Mrs Fulci being one of them, she was a true matriarch of her family and daughters! She definitely had an amazing way with words, she shot straight from the hip! I am so sad for this family and i know they will make their momma proud and stay as close as they always have been! I love you all and we will continue to pray...I promise our next cancer motorcycle run will be in the name of Mrs Janet Fulci! Love ALWAYS Steven Jodi Jake Shelby and Josephine Toledo*

“ *Janet (to me she will always be Big Janet) was such a wonderful mom, even though I wasn't her natural child. I was the kid next door that Franny would drag to dinner, and I loved it!! I never knew her outside of that fabulous kitchen on LI, but the memories I have will always make me feel cared about, just like I was her natural child. Her presents/presence in my life will never leave me. I am so thankful for that. Sincerely, Alison (AI)*

“ *We will all miss this special member of our Meadows-neighborhood-family. Janet was easy to talk to, ready to help, and always there with a meatball or ravioli to 'make things better'. It was a gift to know her.*

“ We are so sorry to hear of your loss. I have many fond memories of her driving us to school (because we were late) and her tying my white blouse with the big bow on the neckline. I am sure she will be very missed by everyone. She was very kind to everyone.

“ When I was little, I thought you were the best mother anyone could ever wish for. You taught me more than anyone else could, that you understood me when no one else would. You loved me better than any other mother ever loved her children. Mom I love you more than I could ever say..... And you will always hold a special place in my heart. I still think you're the best mother a person could ever hope for, and I'll always love you, Mom!!! I'll always treasure the wonderful memories that we have shared. Mom, rest in peace. “ Janet, you were so special to me and I will miss you terribly, but I know you are at peace now. You were an amazing woman, beautiful, so loving and strong. I spent so much time in your house, playing with Denise & Lorraine (my soul sisters)... you treated me like one of your own. You fed me quite often, curled my stick-straight hair, tried to get me into your soap operas and let me help you shampoo your rugs (it was fun)! You raised five beautiful girls and managed your household with such ease and grace. I'm so thankful that you were part of my life. My deepest heartfelt condolences to Frank, Terry, Janet, Frannie, Denise & Lorraine and to all who knew and loved you. I hope they have Bingo and slots in heaven!

“ Mom....there is not a minute that goes by that I don't think of you. I will always love you and keep your spirit alive in my home and hold you close in my heart. I know you are with Jesus and have no pain. You are at peace. I know you are watching over us. You finally have your angel wings as you always loved. When my time is up on earth, I know you will be waiting for me with your arms wide open. Your smile keeps me going. I love you more than you can imagine. Today I realized that one of my prayers were answered... I promise to stay strong..I promise to take care of Daddy. Oh, and by the way.....my meatballs are softer than yours...haha.. My Mom...the best cook, the best mother,the best care giver, my best friend....
