“ *Mike, Annie, Keenan and family; I am so sorry for you loss. Jan was taken from you all too soon - yet we never know what God's plan is for all of us. The impact she had on her family's life, and the life of all of the children she taught in Sunday School will have an impact forever. Our family has so many great memories of baton travelling, getting together for Thanksgiving the first year after I got divorced, VBC, and so many other events. But the greatest gift Jan gave me, Erin and Brianne was the gift of the Lutheran Faith. Her invitation to come and visit at Trinity Memorial gave me my church family, and I will be forever grateful. May your memories hold you and comfort you. Mary Ann Nowak*
