“ Dear Tim, Tom, Marty and Dean, I was so sorry to hear of the passing of your mom. We always enjoyed our times spent with your family. They hold a special place in our hearts. We enjoyed our visits in Titusville, and Florida. Never made it to Pittsburgh. Your mom had the most wonderful laugh. It lit up the whole room. Luckily she always enjoyed my dad's jokes. When I say the angels were singing when she got to heaven we know it was a barbershop chorus. You are in our thoughts and prayers. I'll never look at another pecan pie without thinking of her.

“ I will certainly miss Janet. She was a lovely lady and a great friend. She was hard working and always had time for everyone else. I helped her at Mended Hearts, but could never get ahead of her, she was always there ahead of me. She will be missed by all who knew her, and many who didn't. She didn't look for recognition, just did what she thought needed to be done. We will all miss her. Allan MacEachern

“ To The McCord Family We want to express our sincere condolences for the loss of your Mother. Janet was always a dear friend. She, Bill, Kay and I had many good times together during our years in Bradford. Unfortunately, as time passed, we all scattered in different directions and we lost that personal touch we all had in our home town. Our thoughts and prayers are with you. “ *To each of Janet's family - may you be comforted with your special memories of your moms smile, her joyous spirit and her wonderful giving way. I loved her. She lit up a room and made you feel special. Our family was lucky to have shared in the neighborhood Christmas decorations, and Christmas Eve parties, and many "pop-in" visits just to spend a few minutes across the street. My life was better just being with Janet. I will never forget her. My sincere sympathy to you. Love & Prayers, Kim*
