“ Would you tell Jan's family, that Peggy and George Andrews thoughts are with them at this time of passing. We regret we are not able to be there is person and pay our deepest respects. Over the years, the four of us have shared many light-hearted times and some outrageously funny golf experiences. Jan was always the first to become involved in 'dressing' the part for cold weather, celebrations, and 4th of July...but let us not forget her hostessing the fans and losing players for the Women vs the Men Challenge. And on a personal note, I still keep the sail boat Jan gave me during one of the great Christmas Celebrations at Carol Kings home. The boat sits front and centre on my bedroom dresser. And every time I see it I am reminded of her wonderful friendship. With sympathy but good memories, Peggy and George Andrews, Take care JT and family,
