Janette Darlene Jenkins, 78, also known as Dolly formerly of Plain City, Ohio passed away June 29th, 2017 at her residence in Altoona, Florida, after a fierce 10 year fight against cancer.

She will always and forever be remembered for her beautiful smile because she always had one for you or the way the light danced in her brown eyes when she gave you that smile. Her sweet personality and sense of humor and the unconditional love she gave to her friends and family. Or the sweet sound of her singing and playing her organ and guitar. But most will remember her by her pink cane.

“ *My condolences for the family. I am the second to the youngest daughter of Anderson North. This would make me a half sister. This is a reach out to my family which by the blood of my father I love so much. Hugs and best wishes to my family.*
