“ To the Pritchard Family: We were shocked and saddened to read of Jan's death in the Orlando Sentinel. She was always such a strong, vibrant personality it is hard to believe that she is gone, but we know that she is rejoicing to be with her Savior and reunited with Jack. For all of you who mourn her loss, we will keep you in our prayers and trust you will find comfort in your memories accumulated during the many years that Jan invested in her family. As we think back to the years spent with Jack and Jan and your family at Grace Baptist, we are grateful for those memories and look forward to the day when all of the "old gang" will be reunited in heaven. With our heartfelt sympathy and prayers, Dean and Eleanor Wangerin

“ *RaeJean & Rhonda, I am sorry to hear about your Mom & Dad. I saw the notice about your father and tried to find one of your addresses to send you a card - but couldn't find you in Orlando or Orange CO. I know this has been a hard time for you, it appears both your parents were sick at the same time. It's a good thing you have a large family - so much support can never hurt. Think of you often, Pete and I have moved back to Pinehurst, built a new house across the street from the one we started out back in 1964. I would love to hear from you and how all are doing. If you get a chance let us hear from you. Lots of prayers, Ronda & Pete*
