“ *To Ray and family, words can not tell you how sorry I feel for your loss. My heart is broken into many peices. Janice would not want us to shed tears for her, but she would want us to be proud of where she is now and how she is singing with the angels. She is in the presense of family gone on before her and most of all our Heavenly Father. I love you Janice and miss you already. Love you Kenneth & Rose*

“ My prayers are with the family, may God be with you all. My dad and Janice's mother were sister and brother and although I haven't seen her in years, we were in contact via email. Janice loved genealogy and spent a great deal of time looking and tracing our family tree. I can only imagine the joy and singing that is going on, another member of the family has gone home.
