“ To all of you , I am so sorry for your loss. I know how painful the loss is of a mother, because they are the center of every family. As time has goes by you will find it a little more tolerable , but I would say from experience it is not a lot easier. You will be in my thought and prayers. Mike and Joy Blount

“ I know the hurt your heart has but, I also know that she is in a better place and is hanging out with our Lord Christ and my folks. Be strong and know your family is loved by many. Sadly, I can't make the service but, if I can ever help just yell Love Roger
