“ *Uncle Bud was a very special uncle. My mother shared a very close bond with him. All the years we spent in Florida or y'all in Alabama are such precious memories. I can close my eyes and see him as he is in this photo. Dear Aunt Bertha Lee and Cousins know our prayers and thoughts are with each and everyone. We feel your pain and know how much you will miss him. My daddy was so close to Uncle Bud, like a brother. I'm thankful Uncle Bud, Aunt Bertha Lee, Daddy and Mother were able to travel and fish in the years before their healths failed. We love y'all so much and wish it was not so many miles between us. Those miles kept us from spending more time with Uncle Bud and also kept us from helping you, Aunt Bertha Lee, with all the loving care you took of Uncle Bud. You are a very, very strong woman and I pray God gives me the kind of strength and devout dedication you have had taking care of Uncle Bud. I know it has not been easy, but God gave you strength you never knew was there. I love you as much as I loved him. May God bless you and give you health to do a few things for yourself. Now, take care of YOU! Pam*
