“ *Glenn, Rose, Tabatha (chris) and Phil, Please know you are all in our deepest thoughts and prayers right now. I'm so sorry for all you had to go through for this celebration for your dad. I'm truly sure he is dancing in heaven and looking down at all of you with pride and joy. It's so hard to say goodbye. Just focus on the positives that He has finally been able to enjoy eternal life and of course go meet The Lord that's a true blessing in the end of our lives for sure. Until then we only hope that you find comfort in all the wonderful memories you have of this wonderful man that you've told me about and that you all will enjoy your time together in closeness as you celebrate his new life. I love you guys and let me know if there's ANYTHING AT ALL you need me or Tom to do back home here. Nothing is too big or too small for you. Love and safe travels to all of you.*

“ Uncle Glenn, Aunt Rose, Tabatha, Phil, and Maureen, Allen My prayers go out to all of you. I know that he is in a much better place. I have many fond memories of him. He is now with his wife and he is happy and no in any type of pain. He is happy. I know he was such a good man and I always seen such a smile on his face when I saw him. I will keep all of you in my prayers and know that he will be greatly missed by a lot of people whom he has touched. God is taking care of him now so there is nothing to worry about, celebrate his going home. God will carry you through this time because he is such a wonderful loving father. May God Bless you all. Love you all.

“ Our hearts go out to Jack's family and friends. We were lucky enough to get to know Jack while enjoying our Family cabin in Salt Springs the last few years...he was always a welcomed sight when we would pull in on a weekend...he would always wave and welcome us "home" again. I remember being up there a few times when no one else was around... he would always come up to the fence to say hi and see if there was anything he could do for us...he was a true southern gentleman and we always felt safe knowing he was there keeping an eye on things!! :) I will miss seeing him in his garden and that smile and wave from wherever he was standing... Salt Springs just wont be the same. But, his memory will always be included in everything we do up there and we feel so very blessed to have had the chance to know Jack, even for a short time in this life. Our hearts go out to his family in this sad time...may God bless each of you with His strength and give you peace in knowing that you will see him again someday! You are in our prayers!
