“ *I never got the chance to meet him, I wish that I did. From what I heard about him from his mother in law, my best friend was that he was a kind and loving man who loved my niece Layla more than anything and that he was a family man. My thoughts and prayers go out to his wife and the rest of his family as they go through this journey of grief, I know it's not going to be an easy journey, may God be with you all as you go through this together. I love you guys and I'm here is you need anything*

“ *I did not know Jayden. I know his mom Sarah. We worked together for many years. Sarah talked about her wonderful son Jayden. I had a picture of him in my mailroom from when he was just a year old. Up til I retired in 2024. He was an adorable boy.*
