“ I'm so sad to finally find Jayne just to learn she left us years ago. I wish I had kept trying. I'm Kathleen Howard (Kathy Pleshek), & we were BFFs in grade school. We attended Sacred Heart Catholic school in Shawano, WI. I could go on forever, but I will just say we were always together! If she wasn't at my house, I was at hers for sleep overs. I remember the 4TH of July at her house at the lake being a big thrill for a country girl. One late night, eating her parents left overs from their night out. We thought it was chicken, were we surprised to learn it was frog legs!! She is the only BFF I had throughout my school years. My condolences to her parents, sisters, Judy, Jacki, & Joy. I will always think of Jayne so fondly.

“ We are so sad to hear about the passing of Jayne. I met Jayne and Robert back in 1985 while working at Citizens Bank- I remember when each of their boys were born and that Robert Jr was born early. Our sympathy is with her children, her parents and her sisters as well as Robert. Find peace in knowing that she loved each of you very much! The Rebusmen Family

“ My deepest condolences to Robert and "the boys", along with Neil, Judy and extended family. My faith has taught me not to question life's many unexpected twists and turns and to stay focused on all the fond memories. You have an abundance that should make you smile. We have had a unique long distance friendship for many years that I cherish and you are very special to me. Much time has passed from that chance meeting in Savannah that gave me the opportunity to be a piece of your family and share many memories along the way. I know your bond and love will keep you strong and support each other through this difficult time. Love you all, Jim Zardecki
