“ Dear Donna & Family, I wanted to give your family my condolences. I hate that our enemy death has taken this loved one. I am so very sorry for your loss. I have found the following verses to be soothing to our neighbors going through very difficult times such as you are experiencing. Notice they speak of death being no more: 1 Corinthians 15:26... 'And the last enemy, death, is to be brought to nothing.' Additionally, Isaiah 25:8 reads: "He will swallow up (or do away with) death forever...". This one helps me most: (Acts 24:15) And I have hope toward God, which hope these men also look forward to, that there is going to be a resurrection of both the righteous and the unrighteous. I wish you peace and comfort at this trying time. My deepest sympathy. Winter Gainey

“*Mom I am sorry you had to go through so much before and after Gramma's passing and dealing with the sickness wasn't easy on you. I love you so much and I am always here for you. WE all lost an amazing woman. She was fun, loving, quirky, and most of all she was passionate about her family. I know she was always there for her kids, mom, Aunt Linda, and yes her son. She was there for all of us. She may have gotten mad at us but she made sure all of us were together and stuck together even through judging and just by passing she wanted her family to stick together like glue. Even though some us took this and her for granted she still loved us no matter what!!! I could keep going but I will leave it here and say to my family I am sorry for your loss!! You all are in my thoughts.*
