“ Dear Friends Our hearts are filled with sorrow for your loss. We feel so bad that we're not able to be with you during this sad time. Find comfort knowing that Jean is in a better place, free of any of the encumbrances of this world. She was so blessed to have both of you. Your unselfish love and endless care clearly demonstrated to her how much you loved her.

“ Aunt Jean was one of my heroes. I asked her once if she didn't wish she was my age because of the opportunities available to women my age. She told me it is the women her age that made those opportunities available to me. I never forgot her wonderful lesson of quietly working to make things better. Aunt Jean, thank you.
