“ *I knew Chip when she lived in West Hartford and Canton, CT. She was always a kind and gentle person. It has been many years since I have seen her, however, I have thought of her often. It was always a lot of fun to visit in her home with friends. God Bless you all and a peaceful rest to Chip.*

“ *Miss Shuetz taught in the same district with my mother and was an awesome P.E. teacher. When my son was in first grade she worked with him in extra activities to help with his coordination and self-esteem. She was well-loved.*
