“ To the Walker Family: Jean was my best friend since the year 2001 when we all moved to The Villages. We have attended the same church and were both members. We have maintained our close friendship throughout the years. I will miss Jean so much as a close confidante and friend. She was so lively, full of fun, had such a zest for living life to the fullest. I admired this the most about Jean. She always had a smile for everyone who came in contact with her, loved entertaining in her home and was good at it. Those of us who were close friends of hers will miss her contagious smile, her unique sense of humor, her loyalty towards her friends, love for God and family. I will treasure the remembrance of our friendship always and miss her already. I feel blessed to have been her friend all these years. Rest in peace, dear friend, until we meet again. My sincerely sympathy goes out to her family at this difficult time. We love you Jeanie!

“ My sincere condolence to the entire family of Jean, I did not ever meet Jean yet I noticed she passed on the same day as my sister, Barbara Jean Brook. My most sincerest sympathy is extended to your entire family for your loss. I know that my sister is on a very serene journey to a beautiful place, a place that they can now call, home. God bless your entire family.
