“ Jeannette has been a great friend and encourager to my dad. She always brought a smile to the room. We will miss her at his annual birthday gatherings. May the Lord bring you comfort during this time and wonderful memories to reflect on.

“ Jeanette was such a great friend to my mom, Marilyn, for nearly three decades. How wonderful that my parents became friends with her and Carl while living in The Villages. It made me happy that they all enjoyed each other's company. Her family's kindness when my dad passed away will never be forgotten. Jeanette was always so welcoming to me when I visited Florida; she was quite the hostess. My prayers are with her and her family during this very sad time.

“ Sincere sadness for your considerable loss to the Major family. Jeanette is one of the most precious people I've met and a very dear friend to my mother. As one of the 4-couples that became great friends, her beautiful and witty spirit was the glue of such abiding love. She will live in the hearts of all who knew her. Sending love to Betty and family.

“ I will miss Jeanette very much. She was a great friend and we went through good times and some serious times. We did most things together. We had a group of eight of us -- husband and wives that got together often and had many laughs. It was also fun when people saw Jeanette and I together they always asked if we were sister. Marilyn
