“ I was so sorry to hear of Jeanette's death. Though I did not know her personally, her sister-in-law, Ruth, spoke of her fun-loving ways and I know she will be sadly missed. My thoughts and prayers are with you all.

“ Jet, I have nothing but wonderful memories of you. There has never been a day that you have not been apart of my life. You were there from the day mom brought me home from the hospital. That is why I tried so hard to be there for you in your last days on this earth, I wish you would not have left so soon. Give my grandpa a huge hug for me, I love you more than you will ever know, love Ang Baby
