“ *Water aerobic class will never be the same without Jeanne's enthusiastic and happy personality. It made exercise fun and enjoyable. Hopefully there is a pool in Heaven for her to continue exercising with family and friends up there.*

“ *Jeanne had a determined spirit, whether interacting with her family, teaching her water aerobic class & even to the end, battling her cancer. Her smile & laugh were contagious and uplifting. Carm, her husband, her children & their spouses, her twin sister, Jeannette are all to be commended for their constant support through this difficult journey.*

She lived a full life and touched many lives. Heaven has gained a beautiful soul. May she enjoy her well earned rewards in Heaven.
