“ *Bob & Family: So sorry for your loss and in a sincere way it was a loss for me as well. I loved both Jeannette & Bob with all my heart. Bob you have made it to the one year mark and it will soon be in the rear view mirror. You will never forget no matter how long it is. I still think of Yvonne and its been over 8 years, also Larry & Diane at 26 years & 14 years respectively. I only wish the best for you Bob and for the rest of the family. Jeannette touch so many of our lives and we all loved her but we each are only here on this earth for a little while then but a vapor. We know where our loved ones are and we will see them again one day soon. God Bless the Polson family.*

“ So very many years ago, Mrs. Polson, as I respectfully called her at that time, was one of my best friends' mom. She was like a second mom to me. Having found each other again through social media, all those feelings of love filled my heart again. Now her heart knows the ever truthful love of God and she is healthier and happy now in the arms of her creator. My prayers are now for her family. May you all feel comfort and peace knowing she is watching down and still very much with all of us in our hearts always.

“ Words cannot express my feelings at the present. Bob and Jeanette were LOVED by me and my families very much. Bob and I have attended the NQC together and my first wife and I enjoyed a good visit with them in Florida. May God Bless the entire family at this troubled time and help them to realize that the parting is only for a season and then we will be together forever and ever.

“ *Bob & Family,
So difficult to say goodbye to such a precious Lady. Jeannette always had a beautiful smile for everyone and encouraged us all to trust Jesus in all circumstances. We enjoyed many games of Hand & Foot with her and Bob--of course "the ladies" always won!!! So thankful she is in Heaven with our Lord and Savior. She will be greatly missed until we're together again. Praying God wraps His arms around you Bob and your Family and is your strength during such a difficult time.*

“ Nothing is more painful in life than the separation of a jewel. Time passes, but the pain in our hearts and the tears in our eyes remain. My friend Jeanette's kind face will remain in my memories of the beautiful times we shared together. The talks we had about Jesus and His love for us. She was great inspiration to me. She helped me thru some hard times in my life. She prayed for me many times on the phone. I am forever grateful. My sincere prayers and condolences to my sweet friends family.
