“ Jeff was always ready to have fun! We shared plenty of beer and great times. May he be joining the others with that smile on his face.

“ Please accept my sincere sympathy on the recent loss of your dear loved one. You are all in my thoughts and prayers. May the God of comfort be with you in this time of sorrow. May these words bring you hope, "And he will wipe out every tear from their eyes and death will be no more, neither will mourning, nor outcry, nor pain be anymore. The former things have passed away." (Revelation 21:4) This promise will be fulfilled one day, until then, may all your memories sustain you in the days to come.

“ Jeff had so many funny stories of his life! Everyone please share a happy moment! Although we are sad to lose such an awesome person, he would be mad for all of the sadness! One of my first funny memories is helping him put together a Christmas surprise for Mom. We took a huge box and he had purchased a bunch of little items that we taped inside. In the mix was the beautiful engagement ring that he gave her. He put alot of thought into asking her to marry him :)
