“ Dear Family and Friends,

*It saddens my heart to read about your dear loved one. He was surely a beautiful person, inside and outside. My sincere sympathy is with you at this difficult time. Our Loving Heavenly Father Jehovah God has arranged through his Son Christ Jesus to bring back to life all those in the Memorial Tombs (John 5:28,29). Please contact me for further information about the resurrection. It will give you a firm hope for the future and peace of mind that can only come from God.*

“ I am so sorry for the passing of Jeffrey, my condolences go to the Kimberlin's and Family. I know too well the pain of losing a loved one in death. What has brought me great comfort is Gods promise at Revelation 21:4 "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away." Very soon death will be done away with and we will see our loved ones again. I hope this scripture brings you hope and comfort during this difficult time.
