

Jeffrey James Pancrazio

August 19, 1965 - July 12, 2025

Jeffrey James Pancrazio, 59, of Ocklawaha, FL passed away on July 12, 2025. He was born in Danbury, Connecticut on August 19, 1965. Jeffrey was a hardworking man who loved his family. One of Jeff's greatest virtues was that he was a dedicated employee who always showed up to work well before his start time, and he could always be counted on to stay late or put in more work when the situation called for it. He maintained a career in the manufacturing industry spanning over 30 years. He started his journey on the production lines at Perkin Elmer, from which his parents eventually retired. Through hard work and dedication, Jeff became a Program Manager with EEI Manufacturing Services. His coworkers and customers referred to him as an amazing human being with a unique way of making everyone feel seen, and valued. It was said that He carried God's love in how he treated others, as he now rests in the arms of the Lord.

Close friends referred to him as one of the best men they ever met. Above all, he always put his daughter and his grandchildren first, something he learned from his mother at an early age. He was proud of his daughter and his grandchildren. Before recently becoming an Ocklawaha resident, he spent long weekends with his daughter, son in law, and grandchildren. His favorite thing to do that brought him much joy was boating on Lake Weir, the Ocklawaha river, and Lake Eustis. Family gatherings were incredibly important to Jeff, especially the holidays. Nothing could've ended his days better than a

home cooked meal with family, good laughs, and barbecued food. Jeff had a deep love and passion for woodworking, undoubtedly inspired by his parents Charlie and Olga. He took great pride in collecting and restoring antique furniture. It brought him much joy watching his grandchildren foster that same love and appreciation. He was a loyal and dedicated man who wanted to share his love and passions with the most important people in his life.

Jeffrey is survived by - his father Charles Pancrazio and, his late mother Olga Pancrazio of Charlestown, Rhode Island. He also leaves behind his daughter Alissa and son in law Austin Coller, 3 grandchildren: Kylie Carney, Charlotte Carney and Austin Coller Jr., of Ocala. His brother Mark Pancrazio and wife Linda Pancrazio, his nieces Julia and Celina, as well as numerous aunts uncles and cousins.

“ We want to honor and remember not just our colleague, but a dear friend - Jeff Pancrazio. Jeff was an extraordinary person whose presence was felt in every corner of our workplace. He had a rare ability to connect with people in a way that was both effortless and deeply genuine. His kindness, compassion and positivity left a lasting impact on each of us.

Every day, Jeff brought us his warmest smile, that brightened the busiest of mornings and calm some of the more challenging moments. He made everyone feel seen, heard, and included. Through a thoughtful word, quiet gesture, or a shared laugh. Jeff made our workplace feel more like a family.

Jeff's sudden passing has left a profound emptiness, and we miss him dearly. Our hope is that his spirit will continue to inspire how we treat one another. May we do as Jeff did and lead with our hearts.

Jeff thank you for the joy you brought, the kindness you shared, the example of empathy you set. May you always be a part of who we are here at EEI Manufacturing.

*With Love and deepest sympathy,
Your friends and colleagues at EEI Manufacturing Services*
