“ May those who love you find comfort in knowing you are now in God's arms and you are truly free. You are now able to do all things you could never do while on earth. I ask that God be with your dad and help him to find peace and understanding. My condolences to the many people whose lives you touched ... and you did touch the lives of so many. Now rest ... you are in the presence of The Father.

“ David my heart goes out to you knowing how much you loved Jeff. He was a special guy and was always so concerned about me while I stayed there. He always asked me if I hurt, and then asked if it was real bad, then he would say I'm sorry. I will always have a place in my heart where Jeff stays Love and condolences along with my heartfelt prayers. Jack
