“ I'm gravely saddened to learn of this premature departure. My deepest condolences go out to Jeremy's parents, his two older brothers & younger sister. And, of course, to his widowed woman and their babies. He was a good guy. I remember his laugh. Ironically, that memory suitably goes with the cowboy hat.

“ You are all in our prayers. We are family and though we're not there with you, we're going through it as well. Remember the good times, and with Jer there was nothing but good times. We may not understand as to why he choose to go so soon, but his inner suffrage is over. He will be missed and loved forever. Jeremy was one of those people if you had ever met him you loved him. Ask God for strength during this most difficult time. Don't ponder on the what if's, but allow his legacy of great memories, fun times, happiness and joy resignate in our hearts. We all wish there was something we could've seen,said, or done but know everything happens for a reason and we don't always know or understand but we must trust the Lord with our whole hearts and know He will give us the comfort we need during this time. Jeremy was loved by hundreds and he was more than a friend to most, but more like a brother, that's just how loyal he was. His personality, humour, honesty...brutal honesty, love, commission, truth, loyalty, honor, respect, and compassion made him not just a friend/brother but a hero of love and companionship. I will miss my brother each and everyday. Jeremy I love you forever and always your legacy will forever live on. May God surround and comfort you with his undying love. Gone but NEVER EVER will be forgotten. Looking forward to his memorial service here in Ohio too.

“ This is still hard to ever believe. As the obit states Jeremy was the life of anything. I remember Jeremy and Marley from the bus, always giving our bus driver Bertha a hard time. But Jeremy had a good heart and he was very nice to me as a friend. Everytime I seen him whether he was being good or bad he always smiled and spoke. Jeremy, it saddens me to even be writing this condolence because you weren't done living. One thing I want the family to remember is absent from the body is to be present with the Lord. God makes no mistakes but this is never the end, he's just resting with God until we meet him again. He'll always be with all us. Hebrock family you are truly in my thoughts and prayers. Miyoshi

“ So sorry to hear of Jeremy's passing. What a great young man and so goodhearted. I knew Jeremy when he was attending LSC high school. I was one of the Educational Aids in his classroom. He always made me laugh. He was always smiling and enjoyed talking to anyone and everyone. He had so many friends, and the teaching staff just loved him. My prayers go out to his family. RIP Jeremy
