“ *many of the challenges we face in life can be solved and overcome, however, there are times it can be difficult to understand and impossible to overcome; and it may be with us until we pass. As we temporarily endure the challenges we can solve, and as we continue to endure the challenges we cannot solve, it is important to remember that the strength we develop, will help us endure all the challenges that we all face.* ”

“ *I didn't know jeremy ,but I knew his mother very well. A wonderful person who would do anything for anyone especially for kids or animals..I can't imagine the pain your going through losing a child, my thoughts and prayers are with his family during this difficult time in their lives. May they find peace and comfort. Patti Hacker just know you are in my prayers and we love you lady...you will get through this.R.I.P Jeremy*
