Tiny Angel

Tiny angel rest your wings

sit with me for awhile.

How I long to hold your hand,

and see your tender smile.

Tiny angel, look at me

I want this image to be clear

Forgetting your face is my biggest fear...

Tiny angel can you tell me,

why you have gone away?

You werent here very long...

Why is it you couldnt stay?

Tiny angel shook his head,

these things I do not know...

But I do know that you love me, and I love you so.

Your safe from all the pain and heartache this world causes. Your mom loves and misses you dearly, watch over her and protect her. Everytime I catch some beads I will think of you and miss putting them around your neck!! Your an amazing little boy and I was blessed to finally meet you, until I see you again I love you XOXOXO*

“ *Dear Danielle, Thank-You for being so strong and brave and allowing us to have some insight into the pain, struggles and love you had for God's newest and littlest angel Jeremy. I don't know if any of us can find the "right" words to say -however, I do know that Jeremy is at peace in Gods home. I will continue to pray for you both. Jeremy has touched each and every one of us near and far. The pictures say it all-smiling :) May you find the comfort and surround yourself around those that can listen and be of comfort in this time of need. I LOVE ,MISS and am always here-to listen. OXOX Forever in our hearts. Love, Theresa-Soto-Ryan*
