“ I am so shocked and saddened to hear of Jerome's untimely passing. I was a longtime customer at Hans Foreign Car service. I could always count on him and his trusty crew to carefully tend to the maintenance of my Mercedes. Above and beyond the care and feeding of my "baby", I just enjoyed Jerome so much. He was caring, kind, and just a lovely person. I always left the garage in a better mood--he had that effect on me, and I'm certain, many others. When I drove by the garage this morning, I noticed that the place, always busy, looked deserted, so I stopped and saw the sign in the window. Pls accept my heartfelt condolences for your loss. Jerome will always have a place in my heart, and I will miss him. With deepest sympathy, Arlene Robillard

“ Dear Claire and Family Members: My heart broke when I was told Jerome had passed away. He was an individual that I was blessed to have pass through my life. I knew Jerome before he met Claire and I must say when he met her I could see that man glow. There was such a connection of love and respect between the two of them, it made me beam with happiness to be in their presence. Continue to lean on God for strength to live on without him being here physically. That is what Jerome would want you to do. My prayers are with you all. God Bless, Colleen

We wanted to let you know how much we thought of Jerome, even though we never actually met him, talked to him a couple of times.....He took a chance with our son (Chris Smith) gave him a job and then a place to live without really knowing him at all, in this day an time that was a BIG gamble.....We will be forever GRATEFUL for what Jerome has done in helping Christopher along his path in life reaching his goals. Prayers for all of you! God Speed Jerome, Thank You!!!

“ Such a comfort that Jerome knew he would see God in heaven. Such a heartbreak for us mortals on Earth without Jerome. We experienced Jerome's kindness and saw his love for family. Words cannot convey how we truly feel. He is now with other loved ones we still miss, and heaven is rejoicing in his songs.
