“ *Praise God for a beautiful person! Memories will renew my mind and heart for always. I was blessed with a special Big Brother. He taught me respect & responsibility; how to hold a bat & field a ball; hit a cue ball; drink a beer;- and stand up; one thing I could never understand him being a South sider but a Cub Fan! Look forward to the celebration of his gift of life with us! Our family is grateful to so many who received him into their hearts.*

“ Russ, my deepest sympathy to you and the family on the passing of your father. I personally know having lost both my parents that my belief in God and the thought that he is always in need of good help makes this time a little easier. Your father's physical presence on earth will be missed but his memory will never be out of your mind and heart. Take some comfort in knowing that over time his not being present in your life will diminish to some degree and the thought of him will just remind you of all the wonderful memories you both shared. God Bless!

“ Dear Marilyn, Marsha, and Russ and families, I love each of you, with much love and sympathy, feeling with you a sense of loss, wishing you comfort and strength, and warm memories to fill your hearts. Jerry made his way well through the great transition to new life, and one big part of it is that he made it with the support of your loving presence and help during all your years together, and especially this last year and months. One with you in spirit. Much love, Virginia
