“ Jay, Joe, and family, I was deeply saddened to hear that your dad passed away. You wrote and spoke glowingly of him and that kind of made it even sadder to know that it was time for him to leave you for now. I have wondered over the years why you two guys have had such friendly ways about you. I'm guessing it was your dad that rubbed off on you, and from you onto others. That is a good feeling and I thank you for being a friend over the years. My thoughts and prayers have been with you. ~Tom 'Buzz'
