“ Donna this message is to you. I know that we will all miss Jerry I know I will. And I know that you have no idea of whom I am. I have kept up with Jerry over the years, but had no idea of where you were I'm sorry that it had to be under these conditions. But if you would think back when we were kids at Dade Park on a class party I ask if you wanted to go study with me and you said yes, but going study was just for one night. We were just kids. I hope that you have had a good life and a wonderful family. And my wish is that God will bless you as I know he has Jerry.

“ Johnny, Chris and Taylor, I am so sorry for your loss. Jerry worked for my dad off and on for years and was always a nice person to be around. My thoughts and prayers are with you all.
