“ Rebecca so sorry for your loss. Did not know about Scott for years. Having lost my brother I know your sadness.

Your Dad and I had a long time together. I hope he has at last found peace. I loved him very much.

“ Rebecca, We are all going to miss Jerry, but especially you. I know the last few years have been difficult but now he is at peace. I'm sure he and Jane have had lots to talk about now that they are together in God's presence. You are loved and in our prayers.

“ Rebecca, I was so sorry to hear of Jerry's passing. I know the last few years have been difficult for him and I am glad he is now at rest. Knowing he is no longer in this world with us has made me sad and reflective today as I think about him. I am happy that he found the peace he looked for and that he had turned his life around. The conversations I have had with him these past ten years was healing for both of us and because of that I am grateful that I had the chance to love him.

“ So sorry and saddened to hear of Jerry's passing. I have known Jerry for over 60 years. We grew up together, went to school together and enjoyed many happy times as teenagers. My condolences go out to Rebecca and the rest of the family.
