“ Jacqueline and family, I was saddened to hear of Jerry's passing. Please know your entire family are in my prayers. The video slideshow is a beautiful tribute to Jerry. There are no words that will ease your void right now so just know your Atmore family is here for you. They were such a blessing to me two years ago as you well know and we will be there for you during this time. Jerry is with the Lord so take comfort knowing that he is safe and warm at the feet of Jesus.
