“ Jessica: You are finally home and at peace and I did everything I could to honor you with everything I thought you would want. I know you were there at the service as the Pastor and I felt the strong breeze at the end. So many people love, respect and miss you and was there to show that.

You were like a 2nd mother to me and made my life so much better. And your favorite saying to me "Let go and Let God" has helped me in so many instances.

I love and miss you so much but I know you are where you want and need to be.
