“ Dear Gary and Larry, My heart goes out to you and your entire family. Your mother was truly a wonderful woman. I remember standing in your kitchen when your mom made french fries - I never knew you could make them at home! LOL I was only 14, okay?! She will be remembered lovingly by so many people, myself included. I'm so sorry for your loss, but I know you know she is resting in the loving grace of God. May peace be with you all now and always.
Love, Nancy

“ Judy was so special and she was my life time friend. We had many fun times together and she was always there during difficult times. This world is a better place because she lived. I know the angels in heaven rejoiced when she entered that beautiful place. I will never forget her.

“ I have only fond memories of Aunt Judy and know she will live on in the hearts of all who knew her. I can remember her patiently trying to teach me how to crochet as a child and her good humor when my efforts produced nothing but a bunch of tangled yarn. She always thought of others and never failed to remember birthdays and anniversaries with a sweet card and note. She was a beautiful person on the inside and on the outside and she will be missed.

“ *We are the lucky ones whose lives were touched by this very special woman. She was truly the 'jewel' of her Campbell siblings. Circumstances never defined nor defeated her. With a heart full of love, faith, hope and humor, she always chose to be happy. She loved a good story or joke more than anyone I know - and by laughing at her own troubles, helped us find the courage to do the same. Her joyful presence will be sorely missed, but her spirit survives.*
