“ *We are so sad to hear of Aunt Jill's passing... after she moved to Florida, our families lost contact. But we have quite a few amazing memories, like our families' road trip to Myrtle Beach, pool parties in their LI backyard, and all the shenanigans Jessica, me, and Tara would get into. Sending our prayers and love.*

Jill, you were someone who used your life as a nurse to touch so many others. You have shaped the nursing community in ways that will live on beyond you. Thank you Jill for being such a great inspiration to us all.
