

Jimmie Wayne Reynolds

September 15, 1955 - June 10, 2022

Jimmie Wayne Reynolds was born in Albany Georgia on September 15, 1955. He went to meet Jesus on June 10, 2022.

Jimmie spent his years serving the community. From the time he was a teenager he worked for his family's gas station well into his adult life. On April 4, 1984 he started his career with Fields Equipment Company. With the recent battle with the glioblastoma, it medically forced him into retirement after 37 years of service.

Jimmy was a family man and loved Florida Gator sports, most of the time these two went hand in hand. With confidence we can say at least 43 years of Saturdays, he spent proudly with his family and cheering Go Gators! Whether he was working or being a caregiver, he always had family in the forefront of his mind. He was preceded by his father, Lester W Reynolds (December 11, 1996); mother Lorine H Reynolds (February 19, 2018).

Jimmie leaves behind his wife of 44 years, Vallerie Reynolds, daughter Kayla Camps (Reynolds), son in law Brandon Camps, his granddaughter Alana Camps, his hope to be grandson Kayden. His brothers Tommy Reynolds, Frank Reynolds (Terry Reynolds) and his sister Sandra Fae Foster (Clyde Foster).

“To know me was to love me”, “Work hard and earn your pay” were just a few

quotes that he left here for us to remember. Jimmie impacted lives and will forever live in our hearts. His journey was shortened by an awful disease but the reminder that he is with Jesus, renewed and whole is what he'd want us to hold on to.

Please join us on June 25, 2022 at 1pm to honor Jimmie. The service will be held in the Leesburg High School auditorium at Church of the Lakes. Food and fellowship with friends and family will be held after directly after the service (on campus in the cafeteria).

Arrangements entrusted to Beyers Funeral Home of Lady Lake, Florida.

“ *I had the pleasure of knowing and working with Jimmie for around 20 years. My Father Keith Buchanan knew Jimmie from his early days selling Jeeps at the Winter Haven location of Fields Equipment. As sales representatives for Lovett & Tharpe, some dealers you look more forward to visiting than others on you sales calls. I always looked forward to visiting with Jimmie at Minneola because there was always a new story a new joke or just a good laugh to be had. We will all miss those laughs and stories. Till we meet again dear friend. God bless*

“ *I met Jimmy when I was old enough to know he was a neighbor. He would always come over to my parents and joke around with my dad. They would always tell some stories and have everyone laughing. I remember one time going with him and a couple of others to some kindof small zoo and a monkey threw poop at Jimmy it was so so funny. He was always positive on life and people. What a funny and caring man he was. Have fun with Lester and Loraine, and my mom and dad. No more pain just fun and Jesus. Always in my thoughts and prayers for you all. 🙏*

“ I was lucky enough to have Jimmie hire me over 10 years ago now, and he was always a pleasure to work with, and was a good friend. He was always prepping you for a joke, and until you got the punchline, you didn't know if story was real or not. The real stories were the most outlandish. He was the only person I knew that could meet a complete stranger, and within five minutes, know their entire life history, find out that he was somehow related, or their parents went to high school together. He somehow just knew everyone he met.

His passing has left a void in the lives of anyone he touched. You looked forward to seeing him, talking to him, hearing his stories, even if you heard them before. I truly miss him.

“ I first met Jimmie when he started with Feilds Eq in Winter Haven. When FEC, Clermont was built, Jimmie was the manager. He was great at matching the right person to the right task. He believed in people and saw the good in life. When I was looking for a place to live, he took me to a property he discovered on Sugar Loaf Mountain. We bought it and are still there. He was great helping us get settled in and so many ways for many years after.

I was fortunate enough to see Jimmie earlier this year. We had great time discussing many of our escapades over the years. Know that you are missed; we pray for your family; kindness and friendship will never be forgotten. Gary and Joni Schuler

“ I met Jimmy when my sister started working for him many years ago at fields. He was always welcoming and treated our whole family like we were HIS family. He has certainly left a legacy that will not be forgotten. You will be missed my friend. Say hello to everyone and know that you left your mark here with all of us. We shall meet again.

“ Jimmie was my boss best friend but most of all my mentor. I remember looking for a job and a friend referred me to go see him and I did just that I went in and he was sitting at table having his coffee I Introduced my self to him and ask him if he was hiring and gave him my resume. He Politely told me as right now I'm not but he would look over my Résumé I thanked him and went on to my interview I had after that while waiting my phone ring and I answered it was him he wanted know what was my Expectations and what was I going to do I told him I was going to do anything I could to provide for my family and then he wish me luck and hung up. But then the next morning around 730 I got a call from him asking me to come in for an interview as I was setting in the interview oh how i was nervous and him looking at me and was talking to me saying you are one of them Polk county boys to And I said yes sir we talked for hours on end my interview ended at 1 o'clock with him telling me I had a job and to be here Tuesday morning after Labor Day. And that was the greatest day of my life meeting him and as the years went on I went through a rough spot in my life and he was there talking to me encouraging me every step of the way he always talked about him and I going on a diet together. Jimmie Reynolds was more than boss he loved the people he worked with he treated us like was one of his family members and loved everyone I can say this he had a heart for the world to fit in it. Jimmie loved his family especially his daughter and granddaughter always talked about how he loved the and also his son in law he was very proud of and then the new soon to be grandson he was so happy also there ventures in life and adventures with Miss Val. I will be ever grateful for Jimmie he always told me at work If god would had gave me a son in this world I would want him to be like you. I was honored he said that to me. Wise person Once said I wont say goodbye but I will say see you later because We will see each other again and we will have our talks and share one more cup of coffee and possibly burn a egg in the microwave together rest easy my good friend my Mentor and coffee buddy Rest easy buddy and look for me because I will be

“ I’ve sold Jimmy Dixie Chopper equipment over 20 years I have to say we never had a misunderstanding!
The first half of this relationship we talked about how to take care of customers, then it evolved into a friendship then the conversation tilted to FL Gator’s our family’s and Jesus! I’ll miss those conversations 🙏

“ I worked with Jimmie for 22 yrs.
During my interview, when he found out where I lived, he said, is that your house with the pool going in?yes, he starts laughing, we've been watching with binoculars !! He made work fun always, I loved him from the start.
Whenever we would talk about dieing, he would say, I want you to bring onions to my service, I want to make sure everyone is crying, (laughingly). Well Jimmie, no onions needed, were crying. Love you, Hope

“ Jimmie and I worked together for the better part of 33 years. Together, we took care of our customers and made them our friends most of the time. We disagreed on occasion, we butted heads once in awhile, but we laughed often and had a great time all the way around. I think we were and are a good team at Minneola, in large part to Jimmie's ability to let people be who they are. I will miss you, Jimmie, but only for a little while. Your friend, Clinton Lowe
