“ Very shocked and sorry to hear about Joan. I worked with her at Con-Way back in the 90's. She was always very knowledgeable and helpful. Always a smile on her face. On my last day at CCX, she said to call on her if I ever needed anything. What a wonderful person we have lost. She will be truly missed.

“ We are missing your wonderful smile and your sympathetic ear. You always were aware of everything going on in our cul de sac. I hope that God opened his arms to you and created a special place in heaven just for you . You were a wonderful wife to Rich and a wonderful friend to everyone else. May you Rest In Peace and watch over us from heaven. We love you Jo.....

“ My thoughts and prayers are with you. I will miss Joan very much. She was a very good friend. She was always my problem solver. I worked with Joan here in Aurora and when she transferred to Orlando we kept in touch through emails and phone. I am not on Facebook but everyone always loved her postings. Joan's last email to me said how much she was enjoying life and I will never forget her.
