“ Rob- I am so sorry for your loss. Earl and I were out of town and could not attend the service or what I hope was a seriously "JoAnn" party. We were so sorry to hear of your loss. It is impossible to condense what JoAnn meant to her friends and the community of Leesburg. One thing I am sure you already know: she loved you and your granddaughters immensely. She even tracked me down at work to show them off to me. And she was so happy when you moved back to Florida. You should have had many more years of her love and laughter. Our thoughts are with you. Nancy and Earl

“ We just heard about this today. Very shocked! She was a very special friend of my brother Randy Boyte. They went to school together and bowled together. Even dated a few times. We loved her very much. Always loved her smile and friendliness. God be with the family during this sad difficult time! Our deepest sympathy.

“ I know JoAnn can not read this, but she knew how to easily cause laughter. The days at the library My laughter and her stories could change the day. To the family continue to laugh, because it is healing as medicine. Sincerely, Cheryl

“ I only hope in the face of tragedy God will keep us all in his loving arms and give us strength to carry on. Joann and I had known each other for a short 35 years!! We bowled together, drank beer and ate fried mushrooms to keep up our strength! HA! She was a TRUE friend and one of the very rare REALPEOPLE in this world. She lived her life on her own terms, which was with GREAT love and passion for others. She loved her family with much passion, especially her beautiful granddaughters, who she regularly bragged on! I will miss her great laugh, sense of humor, true generosity and loyal friendship. The world will definately be a much more boring place without her. Robbie, your family will be in my prayers now and alwaysLove, Mary

“ She is gone from us too suddenly, it will take us all time to accept this hole in our lives. Jo-Ann was so full of life and laughter. She was such a generous person, quick to forgive and always willing to help everyone. My heart goes out to her loving family. Her life always centered on her son, daughter-in-law and the granddaughters of whom she was so proud.
