“ *JoAnn was a special person. She was quiet, strong, hard-working, and caring. Daddy always bragged on her when she worked in the fields with him. Our families were close when we were little, and her mom made dresses for me since Mama didn't sew. I have wonderful memories of meals together and times spent visiting with the Merritt family. JoAnn always had that wonderful smile. She was loved much, and she will certainly be missed. We are praying for comfort and strength for the family.*
