Tribute Wall

HG

“ I love you mawmaw and miss you so very much. Your life has been such a blessing to me. Your accomplishment your trails. The things you overcame in your life. Sometimes I felt as if you were the only person that understood me. I miss talking to you. I miss your honesty. Thank you for being my grandmother thank you for teaching me the word. Thank you for your countless prayers. For taking up for me. And for letting me have it when I deserved it. I loved that about you. You never let anyone run over your kids. Or anyone you love. I pray I can one day be half the grandmother you was. You was the glue to our family. Your not here anymore. But your glue was strong. Strong enough to keep the rest of us together. I just have to say. You wouldn't believe your baby girl her strength that she has. Thank you for your baby girl my mother. One of the many thing that I have learned from you and that has helped me. And gave me a sense of peace. You telling me. If you are truly sorry for what ever wrong you did.) And you have asked for forgiveness, Do not carry the guilt anymore let it go. Love yourself. Thank you for sharing your life stories with me. I do know things get better. And I have learned that from you. What an amazing strong beautiful grandmother. I love you mawmaw rest easy one sweet day I will see you
