“*Joanne: You know that you will surely be missed but I know that you are finally at peace. It's been a rough 4 years for you and you are now with the Lord. I am so glad that God had us cross paths because I feel so blessed to have known you. I just wish that we would have met under better circumstances. There's no doubt in my mind that you are with the Lord and I know that you are very happy. You are gone from this world but not from my heart. Rest in peace my good friend. I love you! Love, Rae*

“*Once in a life time an angel comes to earth to show us what kindness, caring and faith is all about. This angel was Joanne. She was full of love and life. She always had a smile on her face no matter what. She raised two beautiful daughters and was so very fortunate to have two granddaughters who meant the world to her. She touched so many lives, mine being one of them. Rest with the Lord, you are with our Maker. Joanne watch over us. Give your family your strength and know that you made a difference in this mortal world. You will be missed and never forgotten. With Love Cindy and David Albertson*

“ Dear Mother I can't express the pain and loss I am feeling knowing you are not on this earth. I know you are in paradise with you Lord and Father. I know that you are in no more pain. I don't you do know what is going on with those you love on this earth - if you did then you would be very sad and unhappy and I think God wants you to be pain free and happy. You are with you grandmother and Nanny and Papa and all those whose lives you have touched. You are a wonderful role model for Janice and I. Then pain of losing you is worse now than ever - almost unbearable [am/ I hope Janice and I made you proud, especially when you were dying and when passed away. Janice had difficult things - we both did - but her moresi as there were things only she could take care of doing. I know I am very proud of my sista. I wish she, vicki, my ava and julia lived closer. I know one day you will all be together. Like you said the me "Rosalie I have always loved you and I always will. I always have and I always will. Never forget what you have meant to me and always will. am glad you gave me a baby sister - who found a wonderful person to love and through that love we were given the best gift of all - our Ava and Julia. They are the best - was young women - in caring and compassion - in intelligence and in love - I am so very very proud of them and i know how much you weer too. I LOVE YOU MOMMY. In His Name, Rosalie
