“*Joanne and I met through my job as a CNA. She was a smiling smoker and in assisting at smoke breaks we had many conversations of life, grief and love. She told me about loss as a parent due a terrible car crash. I'll never forget her or her smile. Although our time together was short, my life was impacted by her spirit of kindness and adventure. Heaven has her, but I miss her.*

Mrs. Joanne was such a sweet lady. When my Mom went into nursing home last month she was her roommate. She was so kind to my Mom and my family. I will never forget how she treated us like part of her family. She will be missed. God Bless you and your family.
